Hold a PhD in Economics, Economic Geography or similar field with a strong quantitative focus, or have submitted the PhD thesis at the time of interview	X	
Research background in urban and regional economics, development economics, labour economics and similar fields	X	
Publications in one or more of the relevant topic areas listed above	X	
Experience handling and managing datasets, especially longitudinal microdata datasets (e.g. EUSILC)	X	
Experience and skills using quantitative data analysis techniques	X	
Experience using advanced panel data econometric techniques and software (e.g. Stata, SPSS, R)	X	
High standard of written and spoken English	X	
Good communication skills	X	
Experience working in a project team	X	
Project management skills		X

WORK PLAN

The main duties of the post holder include:

- i) handle and manage secondary microdata such as the EUSILC longitudinal data files;
- ii) carry out longitudinal micro-econometric analysis of individual income;
- iii) analyse data using panel data regression techniques and statistical software (e.g. Stata, SPSS, R);
- iv) write academic papers and presentations;
- v) participate in project events and activities.

TIMETABLE and FELLOWSHIP DURATION

The fellowship will be awarded for a 18-month period, with expected starting date as soon as possible. For further information about this position, please contact Patricia Melo: pmelo@iseg.ulisboa.pt.

LEGISLATION FRAMEWORK

A fellowship contract will be celebrated according to the regulations defined by the Portuguese Research Council (Fundação para a Ciência e a Tecnologia – FCT) in [Regulamento n.º 339/2015](#) and Universidade de Lisboa in [Despacho \(extrato\) n.º 6977/2015](#), following [Estatuto do Bolseiro de Investigação](#) approved by Law n.º 40/2004 and its amendments, namely Decree-Law No. 202/2012 of 27 August, Decree-Law No. 233/2012, Law No. 12/2013, and Decree-Law No. 89/2013.

SALARY

The fellowship amounts to €1495/month (12 months/year), according to the [standard values published by FCT](#). The fellowship holder will have a personal accident insurance and is entitled to adhere to the voluntary social insurance scheme ([Seguro Social Voluntário](#)), pursuant to Código dos Regimes Contributivos do Sistema Previdencial de Segurança Social. The fellowship will be paid monthly by bank transfer.

SELECTION PROCESS

Eligible applications will be evaluated by a three-member committee chaired by Professor Patricia Melo. Eligible applications will be ranked according to the job requirements listed above and a maximum of five applicants with an overall score above a pre-set threshold will be invited for an interview. Failure to identify suitable candidates with an overall score above the pre-set threshold will result in the cancellation of the advertisement for this job position.

APPLICATION PROCESS AND DEADLINE

Applications must be sent by e-mail to Patricia Melo (pmelo@iseg.ulisboa.pt) with the reference “**BPD-RELOCAL-ISEG/2019-applicants surname**”. All applicants will be informed about the final selection decision by e-mail.
