Working Paper 0280-2023

Events

The 11th UECE Conference on Economic and Financial Adjustments took place on 21 July 2023, a successful conference with 54 papers presented with authors from 15 different countries. There was an opening presentation from Joel Hellier, on the topic of “Globalization and Inequality in Advanced Economies”, and a keynote speech from Georgios Chortareas. In this short video, Professor António Afonso talks with Joel about his presentation:
